

Multi ECO 15-17.3

Eco-friendly notebook case with protection and comfort

MULTI ECO is the intelligent clamshell solution for environmentally-conscious professionals. It is mainly made of recycled PET, offering excellent protection for your devices, and is comfortable and easy to carry. Designed for daily use. Equipped with ample storage space and practical functions which make your life easier.

Your 15-17.3" notebook is triple protected: with high density foam padding, a fastening strap and a divider for fixing the device in the lockable notebook compartment, and a metal-reinforced frame. The padded compartment for an iPad® or other tablets (up to 10") protects against impact. Your documents can be stored in the slip pocket at the back of the case. The spacious front compartment has plenty of space for mobile accessories. The practical and easy-access workstation allows you to organise your personal items with holders for items such as pens, business cards, IDs and mobile phones. You can carry the case using the comfortably moulded, riveted carry handle or wear it over your shoulder using the adjustable, padded carry strap. The case can be easily and conveniently attached to a trolley using the trolley belt. So, it's fun to carry!
